

JERRY'S

it's the place to be!

Welcome to Jerry's Kenton!

Set on the banks of the Kariega River in Kenton-on-Sea, Jerry's is a legendary coastal gathering place with a rich history, vibrant energy and a view like no other.

Originally known as Homewoods and later Jeremiah's, this much-loved venue has always been a place where locals and visitors came together, friends met and memories were made.

After the fire in 2021, Jerry's was reimagined and rebuilt with a fresh, elevated feel while still keeping the spirit of the original venue alive.

Today, Jerry's offers casual beach vibes, modern dining, handcrafted cocktails, wood-fired pizzas, great coffee, a variety of seafood and our new sushi menu.

Add live music, DJs, events, takeaways and the iconic Kariega River view, and you have a Kenton experience that is truly unforgettable.
